- Get ready for a fun filled day down on the farm partner! We have been having fall fun on the farm since 1991!
- A great portion of this trip will be outdoors. Please dress accordingly. This is an authentic working farm.
- We will walk through a barn and a barnyard. We may get barn yard materials on our shoes. Please wear close toed shoes or boots. Boots are highly recommended on wet mornings or days.
- This is a guided, hands on, educational field trip. Please be prepared to listen quietly.
- Shepherd's Shop will be open. The Gift Shop features the farm's own produce, meats and wool products as well as locally hand made items and a special mission section. Items with a Heart of the Shepherd label (our non-profit) return 100% of the proceeds to missions.
- There is a small concession area.
- There is a modern, indoor bathroom facility, and baby changing tables.
- We accept all major credit cards, cash and SNAP EBT
- Directions available on the website. The farm is approximately one hour from Tulsa.
- If you have scheduled a picnic, table reservations are for 45 minutes.
- Please respect the animals. Please enjoy the peace, and allow other visitors to enjoy the peace of the farm.
- Please stay with the tour group at all times.
- We encourage parental and supervisor participation. Parents and/or teachers are responsible for the oversight of the children/individuals in their group.
 - If your tour is on a donation basis, then we thank you in advance for your donation.
 - If this is a tour with a paid activities, every person participating in the activity will be obligated to pay for the activity. Thank you for your cooperation. (one free supervisor for 10 paid students).
- If your group will be more than 10 minutes late please contact us in advance. We are making preparations for you and your group. Thank you for your consideration.
- If there is incimate weather, we are able to continue with the tour inside the tour barn facility and educational farm silo. This is a large educational facility and we can accommodate your group. Unless there is severe weath-er (tornados or flash flooding) at the farm, the morning of the day of the tour, the tour will not be cancelled; we will proceed. Please call the morning of the tour if there are any questions. Thank you for your cooperation.
