

SHEPHERD'S CROSS

RANCH HAND AT OZARK FARM

POSITION DESCRIPTION

Shepherd's Cross, is seeking an outgoing individual with the ability to live at the Tahlequah farm location, and travel some to the Claremore farm location. The farms are approximately one hour apart. There is a team of ranch workers, we are simply adding to our team. The farm raises sheep and cattle, hay, pecans and black walnuts.

Shepherd's Cross is a family farm, that has been in existence for 32 years.

Minimal qualifications for the position include the following:

- Experience with livestock and basic farming/ranching.
- Personality Characteristics Desired: congenial, self- motivated, industrious, efficient, good communicator, and integrity.
- Preference will be given to an individual that has tractor experience.

The farm is Animal Welfare Approved and follows the standards set up by A Greener World for animal handling

Steps of the hiring process are: fill out our application found here or on site at the Claremore location, followed by a personal interview; reference checks and a background check.
